Re: Franzone/Lask Docket 14-CV-03043

Dear Honorable Judge Gorenstein:

For the convenience of the court, I provide the following information that moots some arguments in the motions before it.

In the motion to disqualify Mr. Dollinger, he argued in his opposition that Miguel San Jose could be a “chinese wall”. That argument is moot as the attached filing in docket SDNY 10-cv-09691 confirms that Mr. San Jose is not associated with Mr. Dollinger since August 28, 2014. Additionally, Mr. San Jose filed for *pro hac vice* status in this matter. Likewise, that application is moot.

For the court’s convenience, I attach the proposed Order removing Mr. San Jose from this docket.

Thank you for your attention to this matter.

Very truly yours,
